

 EASY ADMIN GUIDE

MANGOI · 망고아이

Easy Admin Page Guide

You don't need to be good with computers — just follow one step at a time

For directors and staff using the admin page for the first time | August 2026 screens | mangoi.ai

What this guide is

The admin page is the cockpit that runs your school. Students, teachers, money and messages all live here.

One thing per page

Each slide teaches one thing. Just follow them in order.

Real screens

Every picture is the real August 2026 screen, including the newest changes.

Why numbers look empty

Tables fill up after you press "Load". The pictures were taken before pressing it.

Korean · English

Press  KO / EN at the bottom left to switch. This guide comes in both too.

 **Easy tip** · Take your time. Almost everything can be undone — only think twice before pressing a delete button.

01

Getting in (signing in)

Type your ID and password

Go to mangoi.ai, then type your ID and password on the admin sign-in screen.

✓ Do this

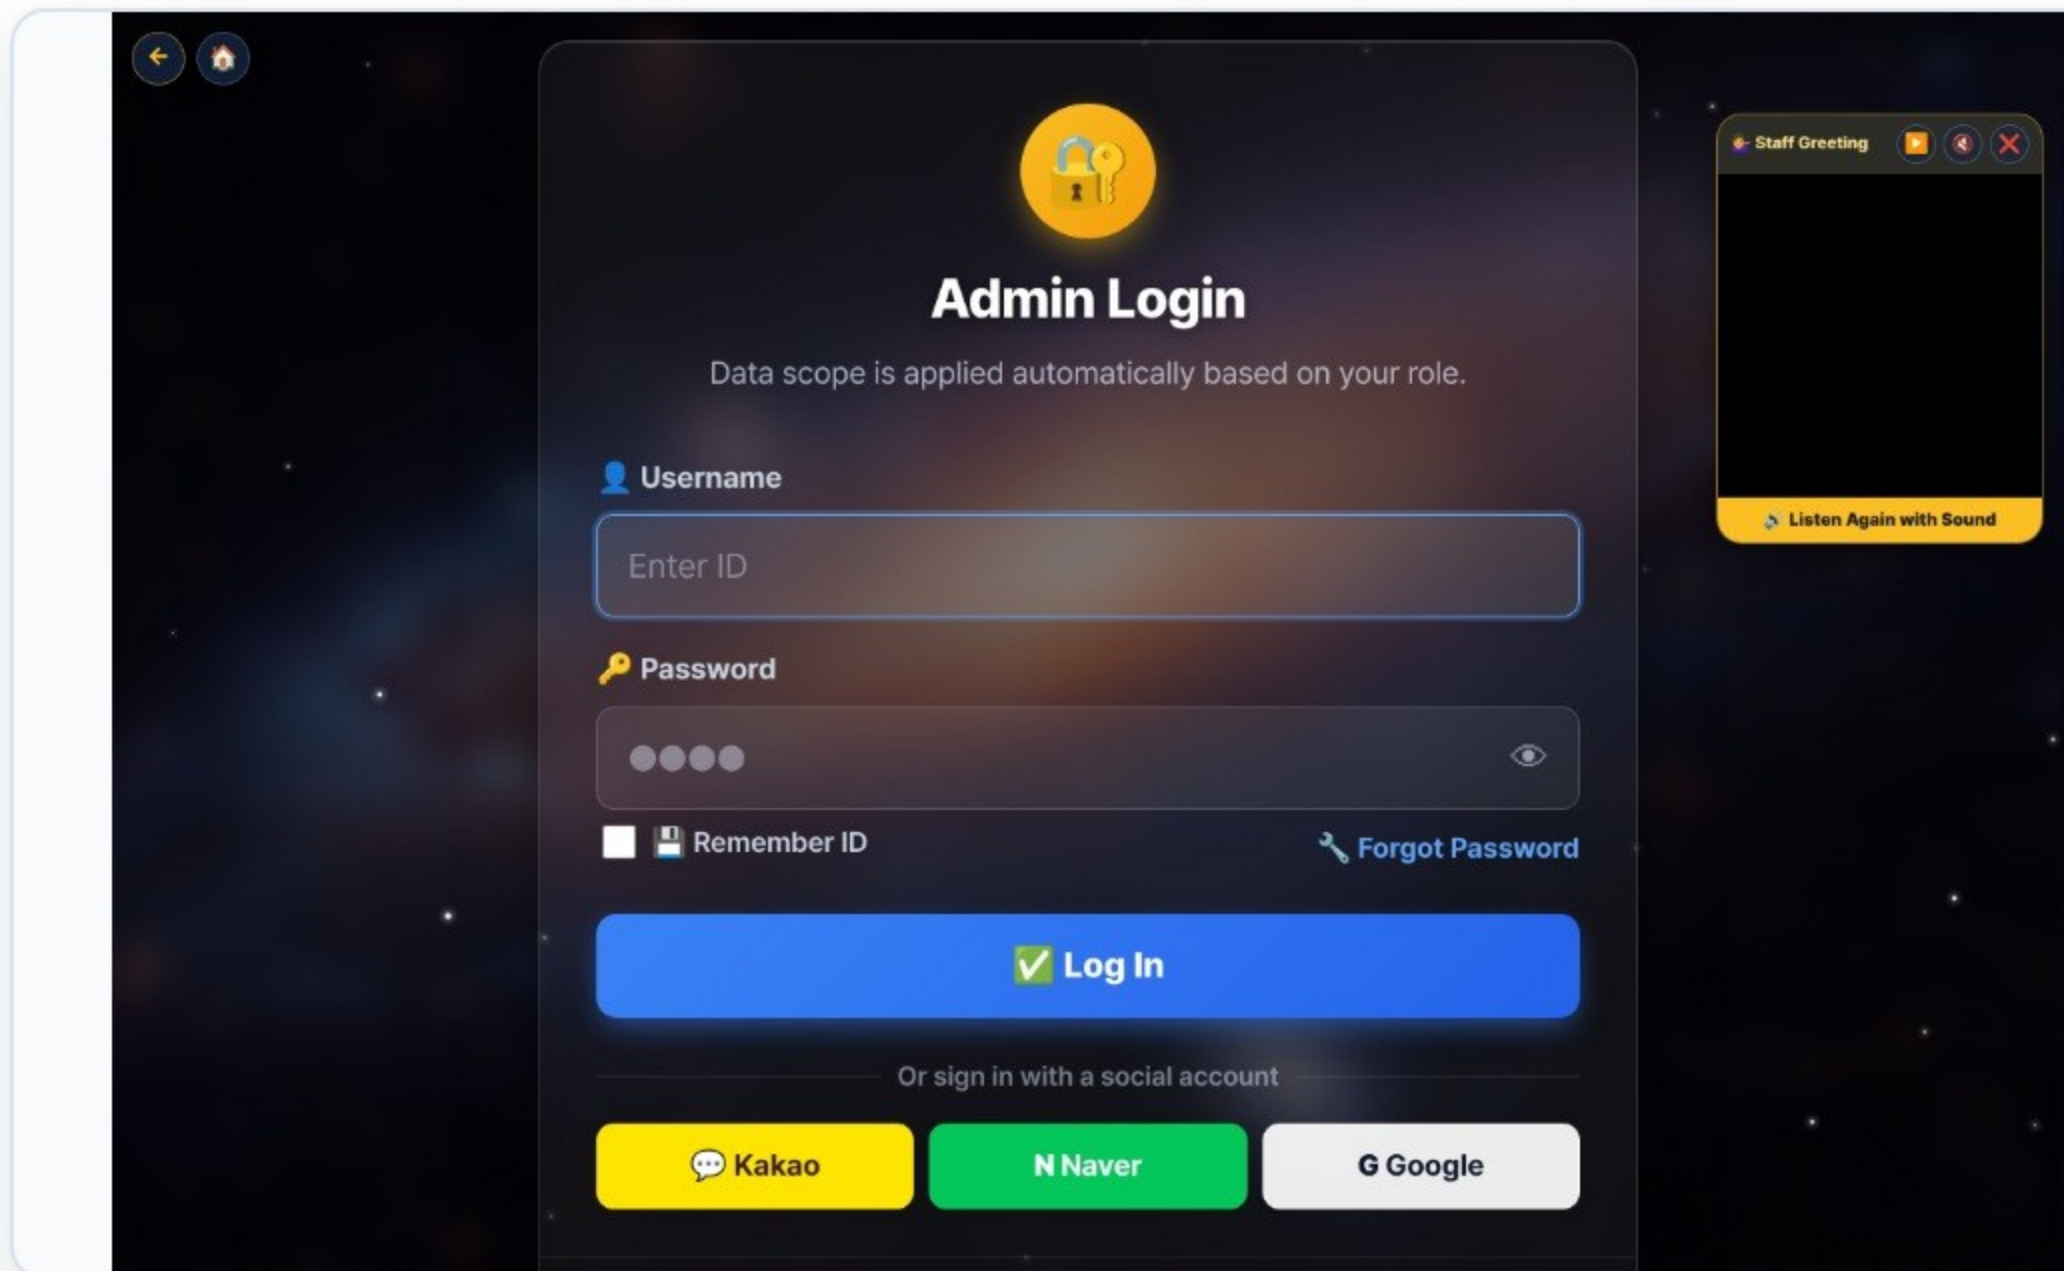

- 1 Type your ID in the "ID" box.
- 2 Type your password. Press  to peek at it.
- 3 Press the blue  "Log in" button.
- 4 On your own computer, turn on  "Save ID" to make next time easier.
- 5 Forgot it? Press  "Find password".

Just remember this

- What you can see depends on who you are. Signing in sets that for you.
- You can also come in with Kakao, Naver or Google.

Easy tip · Never turn on "Save ID" on someone else's computer.

The screenshot shows the 'Admin Login' interface. At the top, there's a yellow circular icon with a key. Below it, the title 'Admin Login' is displayed, followed by the text 'Data scope is applied automatically based on your role.' The form includes a 'Username' section with a text input labeled 'Enter ID'. Below that is a 'Password' section with a masked input (dots) and an eye icon to toggle visibility. There are checkboxes for 'Remember ID' and a link for 'Forgot Password'. A large blue button with a green checkmark and the text 'Log In' is prominent. At the bottom, there's a section 'Or sign in with a social account' with three buttons: 'Kakao' (yellow), 'N Naver' (green), and 'G Google' (grey). On the right side of the screen, there's a 'Staff Greeting' window with a 'Listen Again with Sound' button.

02

What the screen looks like

Menu on the left, content in the middle

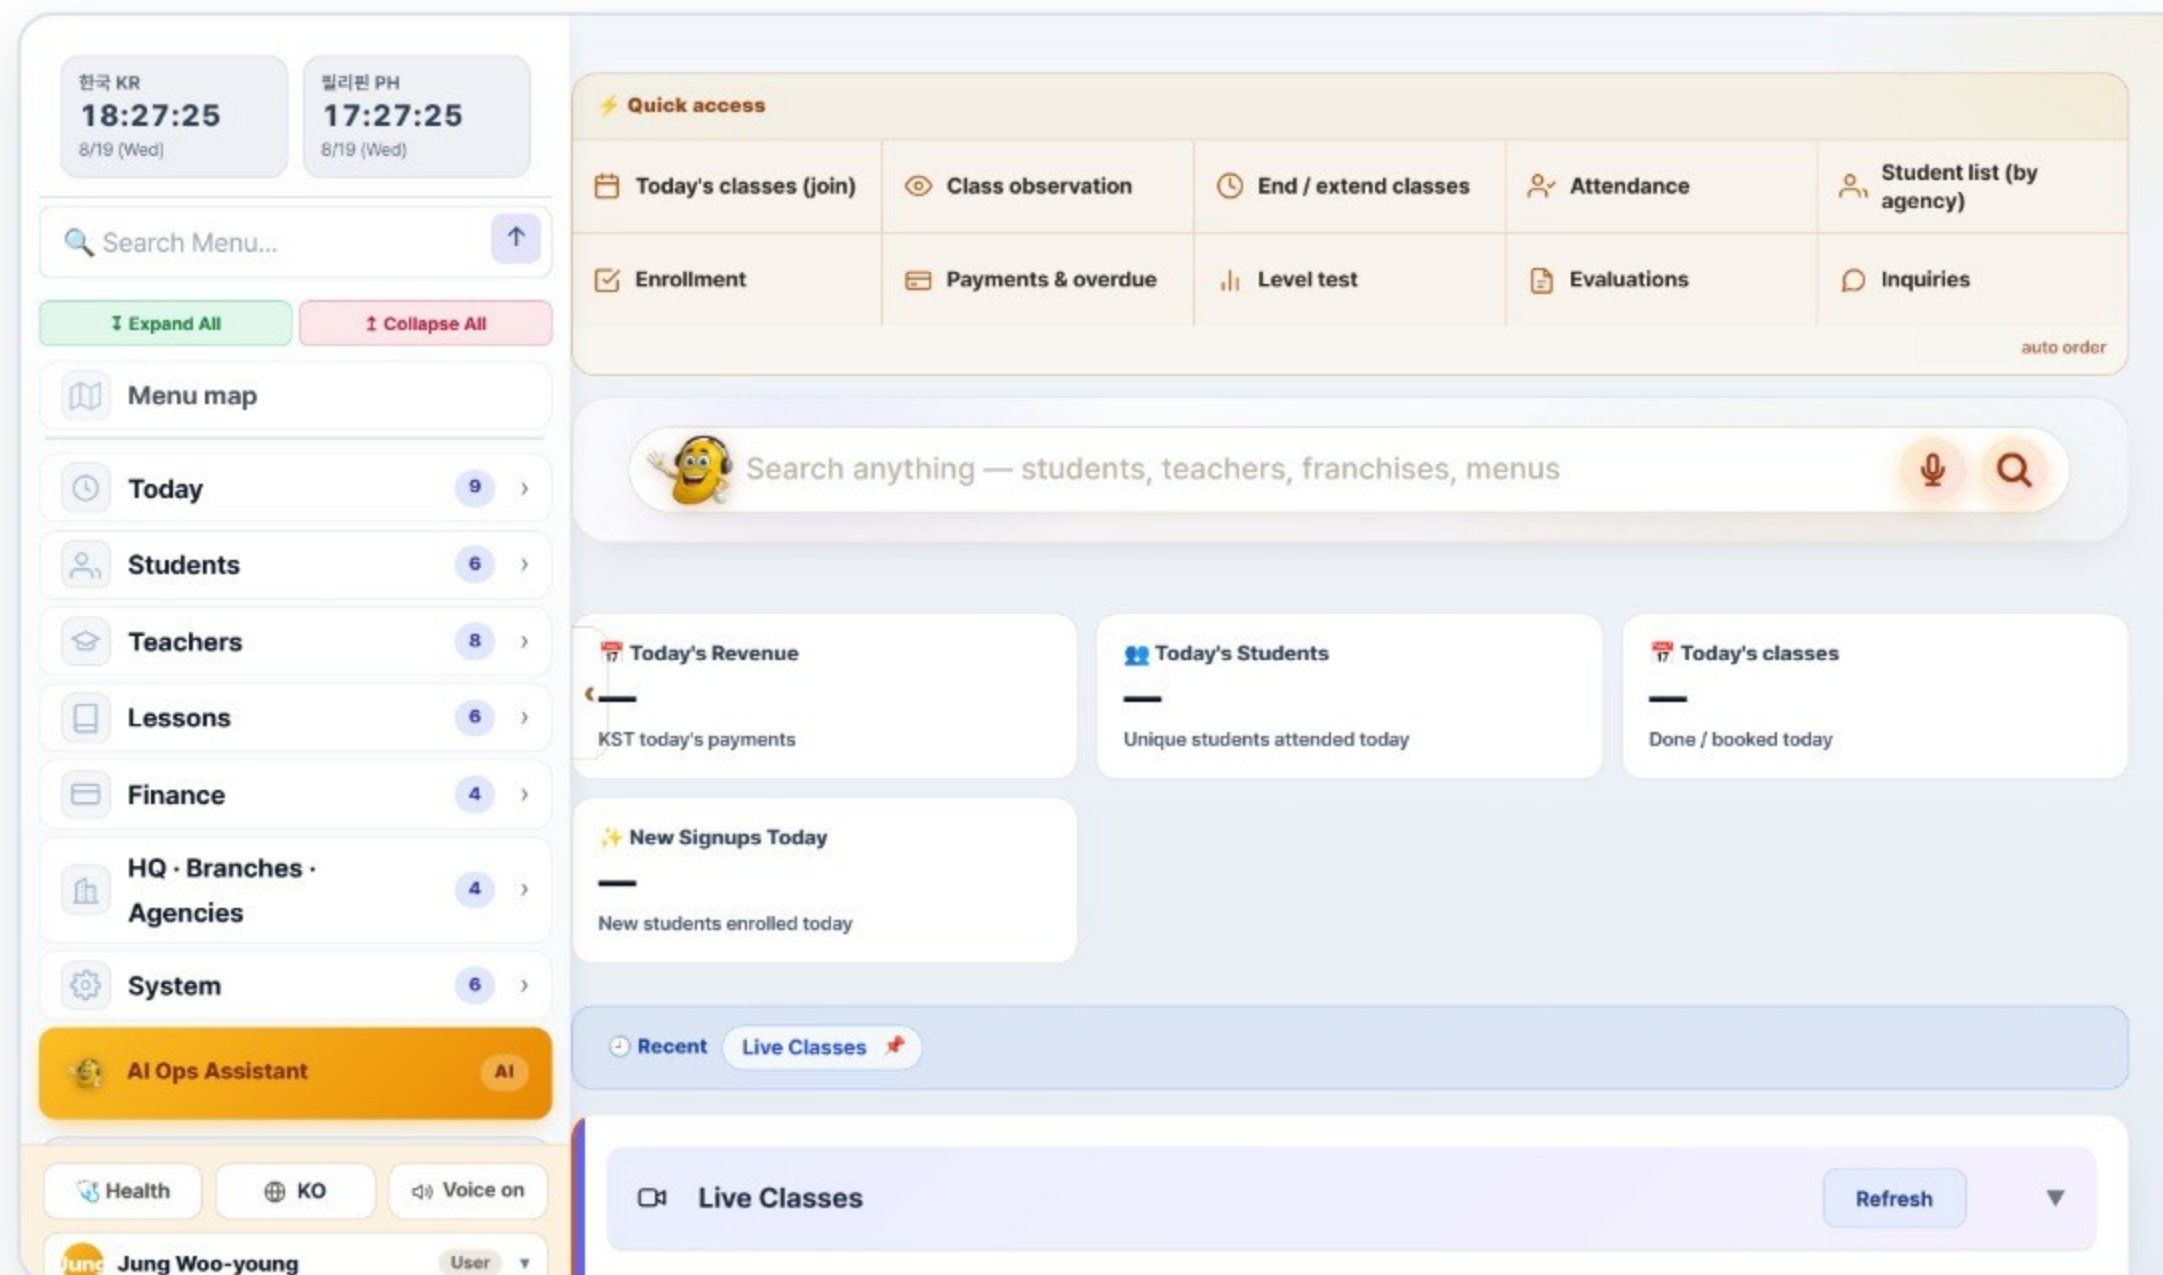

The screen has just two parts. The left strip is the menu; the middle is what you are looking at. Know that and you will never get lost.

✓ Do this

- 1 Top left — Korea time and Philippines time side by side.
- 2 Below it — the 🔍 menu search box, and "Expand All / Collapse All".
- 3 Middle — ⚡ Quick access, the big search box, and today's four numbers.
- 4 Bottom left — 🏥 Health · 🌐 KO/EN · 🗣️ Voice, and your name.
- 5 The yellow mango at the bottom right is the AI Ops Assistant.

🦋 Just remember this

- There are 8 menu groups — Today · Students · Teachers · Lessons · Finance · HQ·Branches·Agencies · System, plus the AI Ops Assistant.
- The number next to a group name is how many menus are inside it.

💡 **Easy tip** · Lost? Press "Menu map" at the very top left. That is the way back to the start.

03

The menu opens three levels deep

Group ► menu ► the exact spot

NEW

The left menu opens in three presses. Press a big group, press a menu inside it, and the exact spots appear.

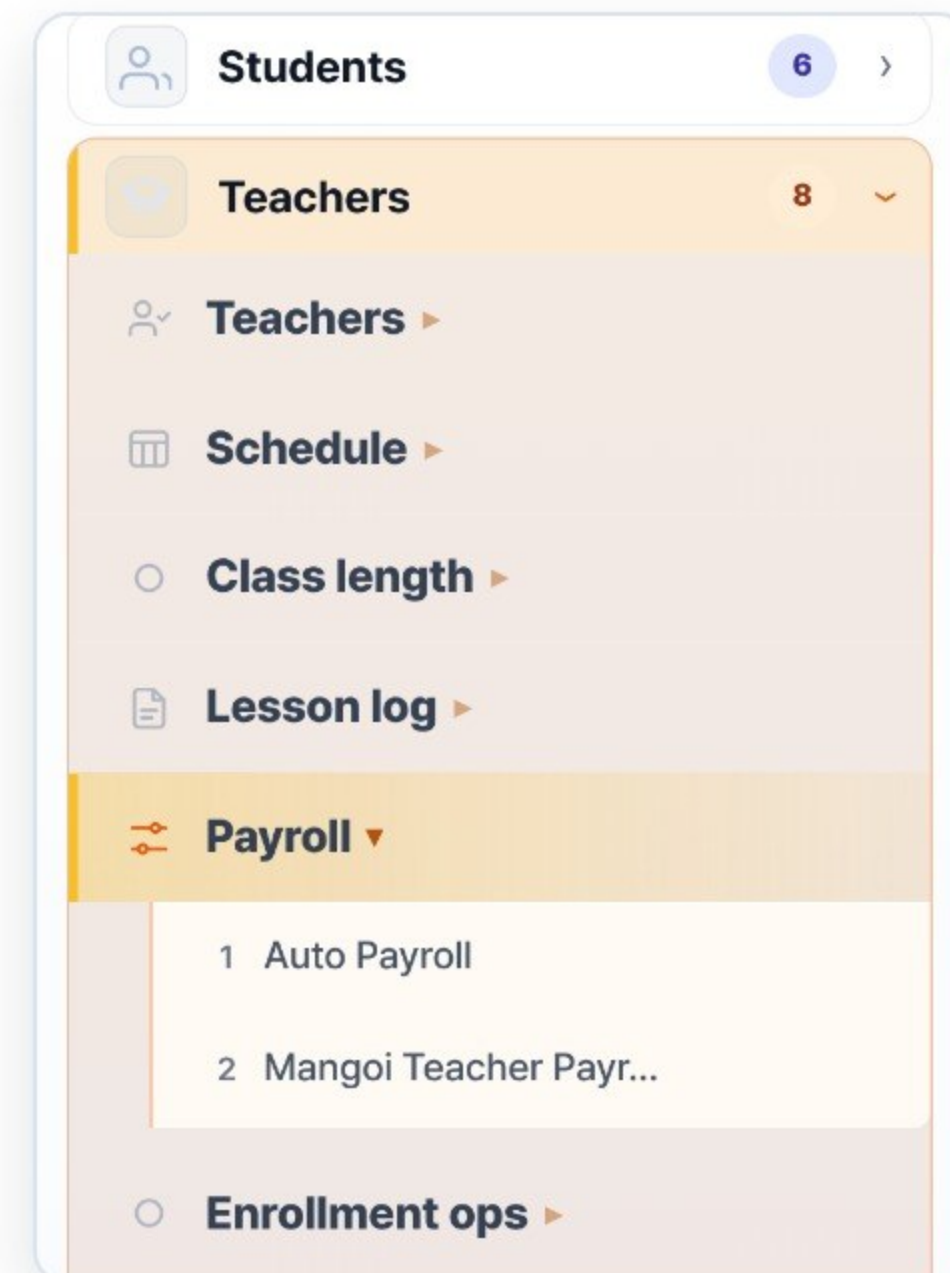

✓ Do this

- 1 ① Press a big group. Example: "Teachers" — its 8 menus open up.
- 2 ② Press a menu inside. Example: "Payroll".
- 3 ③ Numbered spots appear. Example: 1 Auto Payroll · 2 Mangoi Teacher Payroll & Rating Dashboard.
- 4 ④ Press the number you want and the screen scrolls right to it.
- 5 ⑤ Press the same thing again and it folds back. All three levels work that way.

Just remember this

- A "►" mark means "there is more inside".
- On a phone the menu closes as you pick, then the screen jumps to the spot. That is normal.

 **Easy tip** · Want to see everything? "⏏ Expand All". Want it tidy? "⏏ Collapse All".

04

Finding what you need, fast

The search box is the shortest path

Do not hunt through menus. Type what you want in the top search box and only that menu stays.

✓ Do this

- 1 Press the  box at the top left.
- 2 Just type it. Examples: "payroll", "attendance", "notice".
- 3 Matching menus light up in yellow. Press one.
- 4 Press x to clear the search and get everything back.
- 5 The big box in the middle searches students, teachers and franchises too.

Just remember this

- Press  next to the big search box to search by voice.
- When you don't know what to press, search is always the fastest.

Easy tip · The left box searches menu names. For a student name, use the big search box in the middle.

 Long absent ▶

05

Menu map — everything on one page

See where everything lives

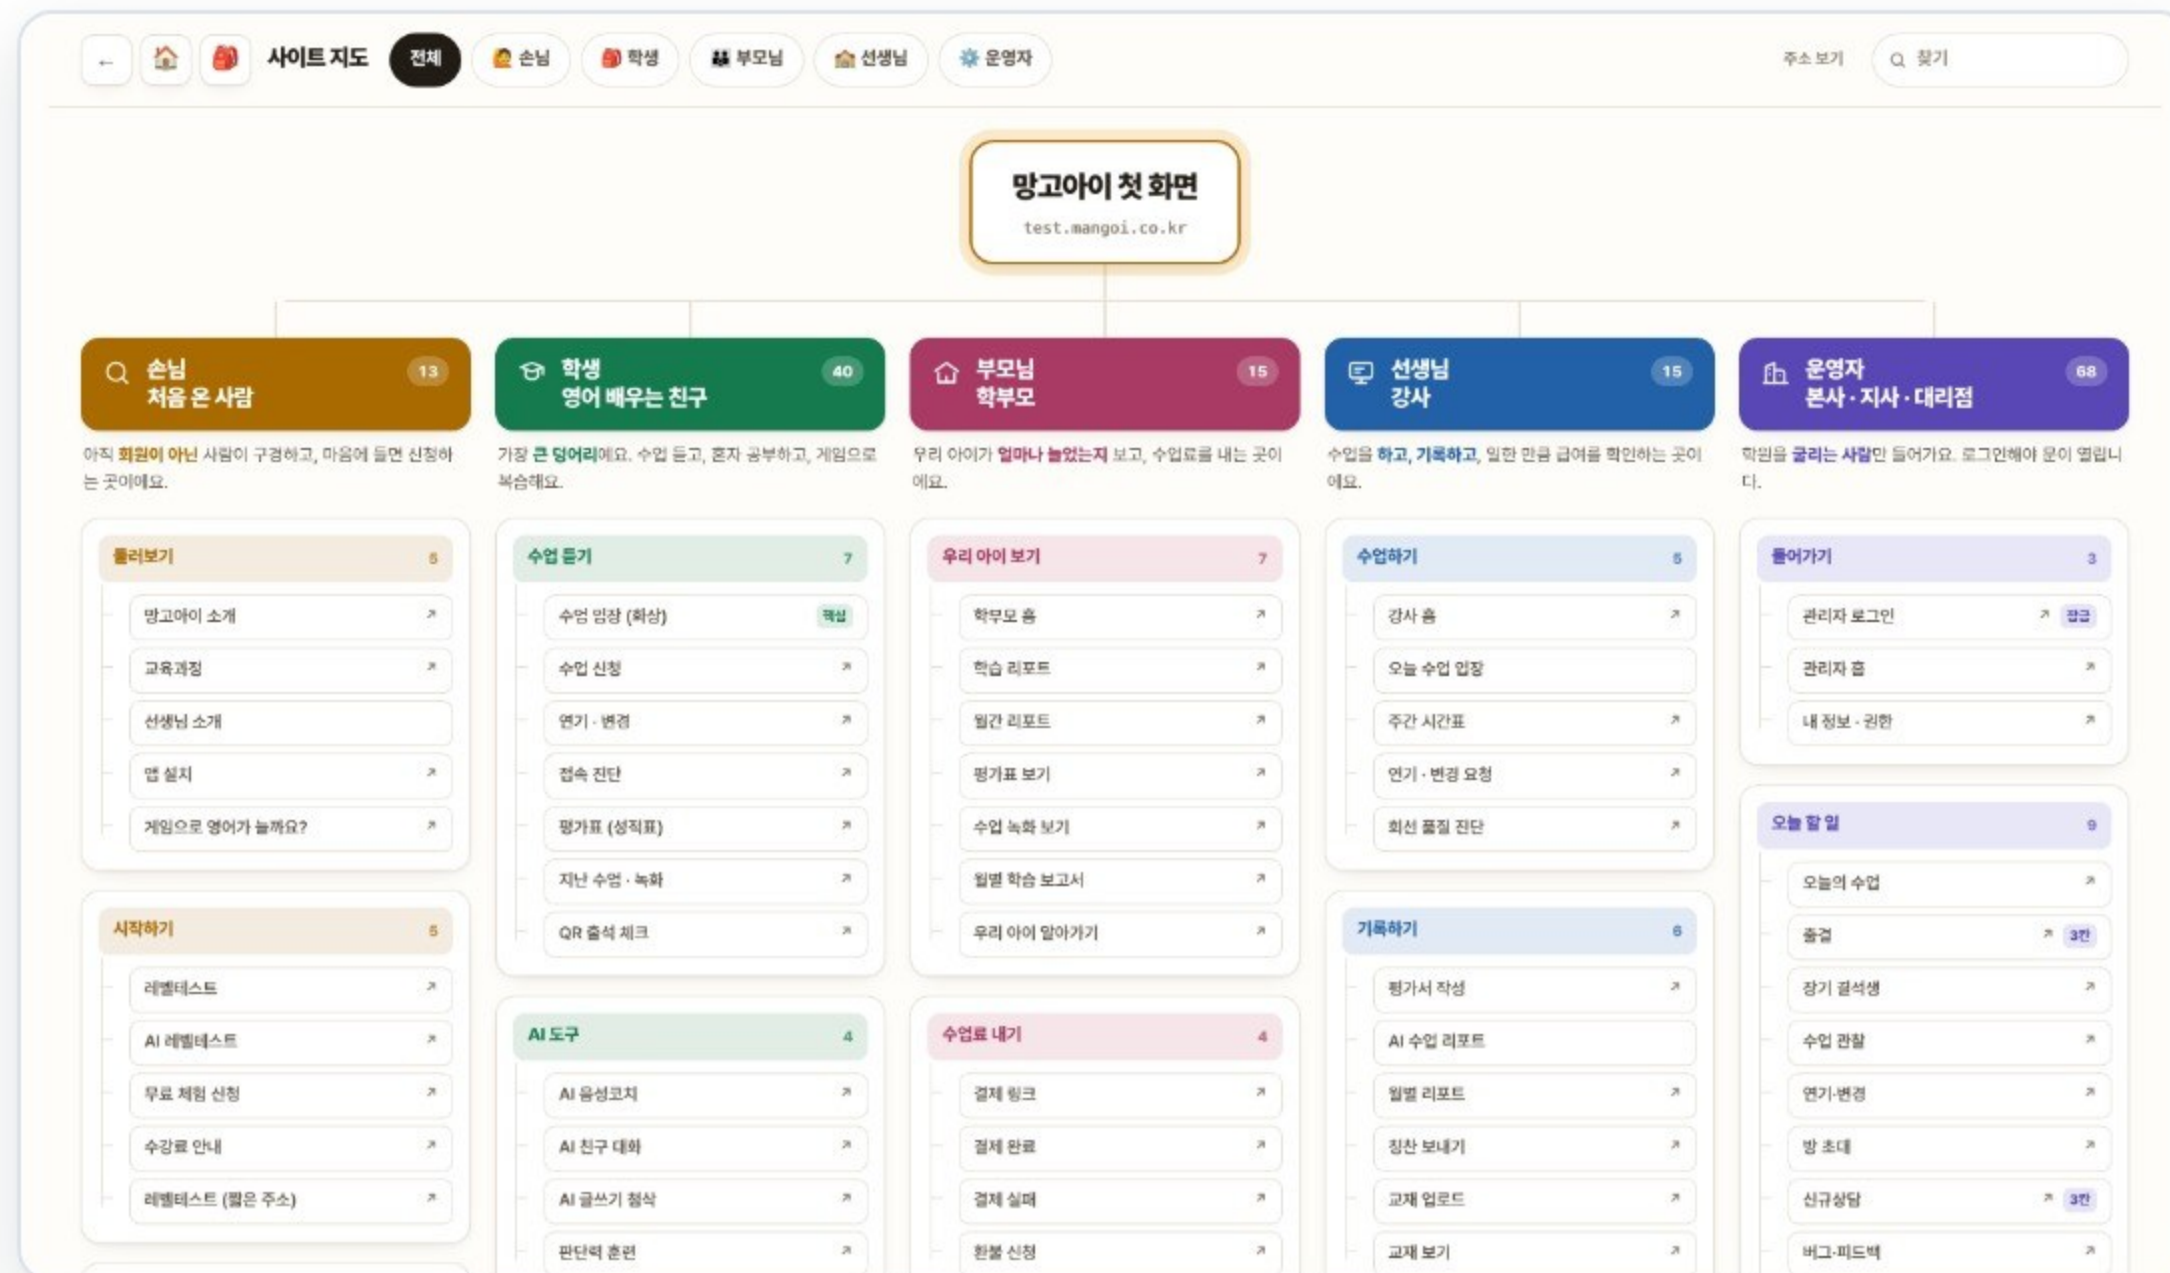

Press "Menu map" at the very top left and the whole of Mangoi opens on one page.

✓ Do this

- 1 Press "Menu map" at the top left.
- 2 There are five columns, one per kind of person — Visitor · Student · Parent · Teacher · Operator.
- 3 Use the buttons on top to show just one column.
- 4 Press any name inside a column to jump straight to that screen.
- 5 Use "Search" at the top right to search inside the map.

Just remember this

- The Operator column is the biggest — that is what HQ, branches and agencies use.
- Items marked with a lock only open after you sign in.

💡 **Easy tip** · Show this map to a new staff member first. It is faster than explaining.

06

⚡ Quick access

What you use daily sits at the top

The orange box at the top of the middle is Quick access. Whatever you press most moves to the front by itself.

✓ Do this

- 1 Today's classes (join) — go straight into a class that is running.
- 2 Attendance · End / extend classes · Class observation.
- 3 Student list · Enrollment · Payments & overdue.
- 4 Level test · Evaluations · Inquiries.
- 5 Just under it, "Recent" keeps the menus you just visited.

📌 Just remember this

- "auto order" at the bottom right means it sorts itself by what you use most.
- A 📌 pin is a shortcut you pinned yourself.

The screenshot displays the Mangoi Admin interface. At the top, there's a blue header with the title 'Mangoi Admin — Easy Guide' and the page number 'page 9 / 25'. Below the header, the 'Quick access' section is highlighted in orange. It contains a grid of icons for various functions: 'Today's classes (join)', 'Class observation', 'End / extend classes', 'Attendance', 'Student list (by agency)', 'Enrollment', 'Payments & overdue', 'Level test', 'Evaluations', and 'Inquiries'. An 'auto order' label is at the bottom right of this grid. Below the Quick access section is a 'Recent menus' section with a clock icon and the text 'Recent menus'. Underneath that is a search bar with a microphone icon and a magnifying glass icon, containing the text 'Search anything — students, teachers, franchises, menus'. At the bottom, there are three white boxes: 'Today's Revenue' (KST today's payments), 'Today's Students' (Unique students attended today), and 'Today's classes' (Done / booked today).

💡 **Easy tip** · Most of a normal day ends inside this one box. Start here.

07

July 17

Today's work

The "Today" group is all you need

The "Today" group on the left holds the 9 things you deal with today.

✓ Do this

- 1
- Today's classes — see what is running now. Press "Refresh" for the latest.
- 2
- Attendance — who came and who did not.
- 3
- Long absences — students who have been away a while.
- 4
- Class observation · Postpone & change · Room invite.
- 5
- New inquiries · Bugs & feedback · Alerts.

 Just remember this

- An empty table just means nothing has been loaded yet. Press "Refresh".
- Today's four numbers (revenue, students, classes, signups) sit at the top of the middle.

📺 Live Classes

Refresh

ROOM ID	USERS	PARTICIPANTS	PDF	VIDEO	ACTIONS
Load failed: rooms.slice is not a function					

👤 Student Management

📊 Accounting

🛡️ Permissions

 **Easy tip** · When you arrive in the morning, read the "Today" group from top to bottom.

08

Finding a student

Students ▶ Students

Press "Students" then "Students" and the student management screen opens.

✓ Do this

- 1 Press "📄 Load" to bring the list in. (Before that it is empty.)
- 2 Type a name, ID or academy name in the 🔍 box.
- 3 Use "🏠 All agencies-academies" to look at one academy only.
- 4 Press a column heading to sort by it.
- 5 To see one student in detail, press the 🔍 on that row.

🦋 Just remember this

- One student has 16 tabs inside — extensions, evaluations, counselling and messages all happen there.
- Use "📄 CSV download" to move the list into Excel.

💡 **Easy tip** · If you remember the name, the big search box in the middle is even faster.

The screenshot shows the 'Student Management' interface. At the top, there's a header 'Student Management' with a dropdown arrow. Below it, a 'Student List' section with two stars. The main area contains a 'Load' button, a search box with the text '학생명·아이디·학원명 검색 (Name/ID/A)', a dropdown menu set to 'All Agencies/Academies', and a 'Search academy' button. Below these are 'Download CSV' and 'Bulk Assign Textbook' buttons. A yellow banner提示 says 'Click header to sort / Shift+Click for multi-sort (up to 3)'. A table with columns 'ID', 'Name', 'Details', 'Pay Type', 'Start', 'End', and 'Summary' is shown, with one empty row. At the bottom, a 'Design Note' explains that the menu shows aggregate views and that clicking a magnifying glass icon opens a details view with 16 tabs. A footer bar says 'Expiring Soon' with two stars.

09

Looking at teachers

Teachers ▶ Teachers

"Teachers" then "Teachers" is where you add, edit and find teachers.

✓ Do this

- 1 Press "+ Add new teacher" to add someone.
- 2 Search by name, phone, email or Kakao ID in the  box.
- 3 Filter with "All status" and "All groups".
- 4 The table shows photo, status, location, 10-minute rate and start date.
- 5 Use " Bulk roster import" to paste many rows from Google Sheets.

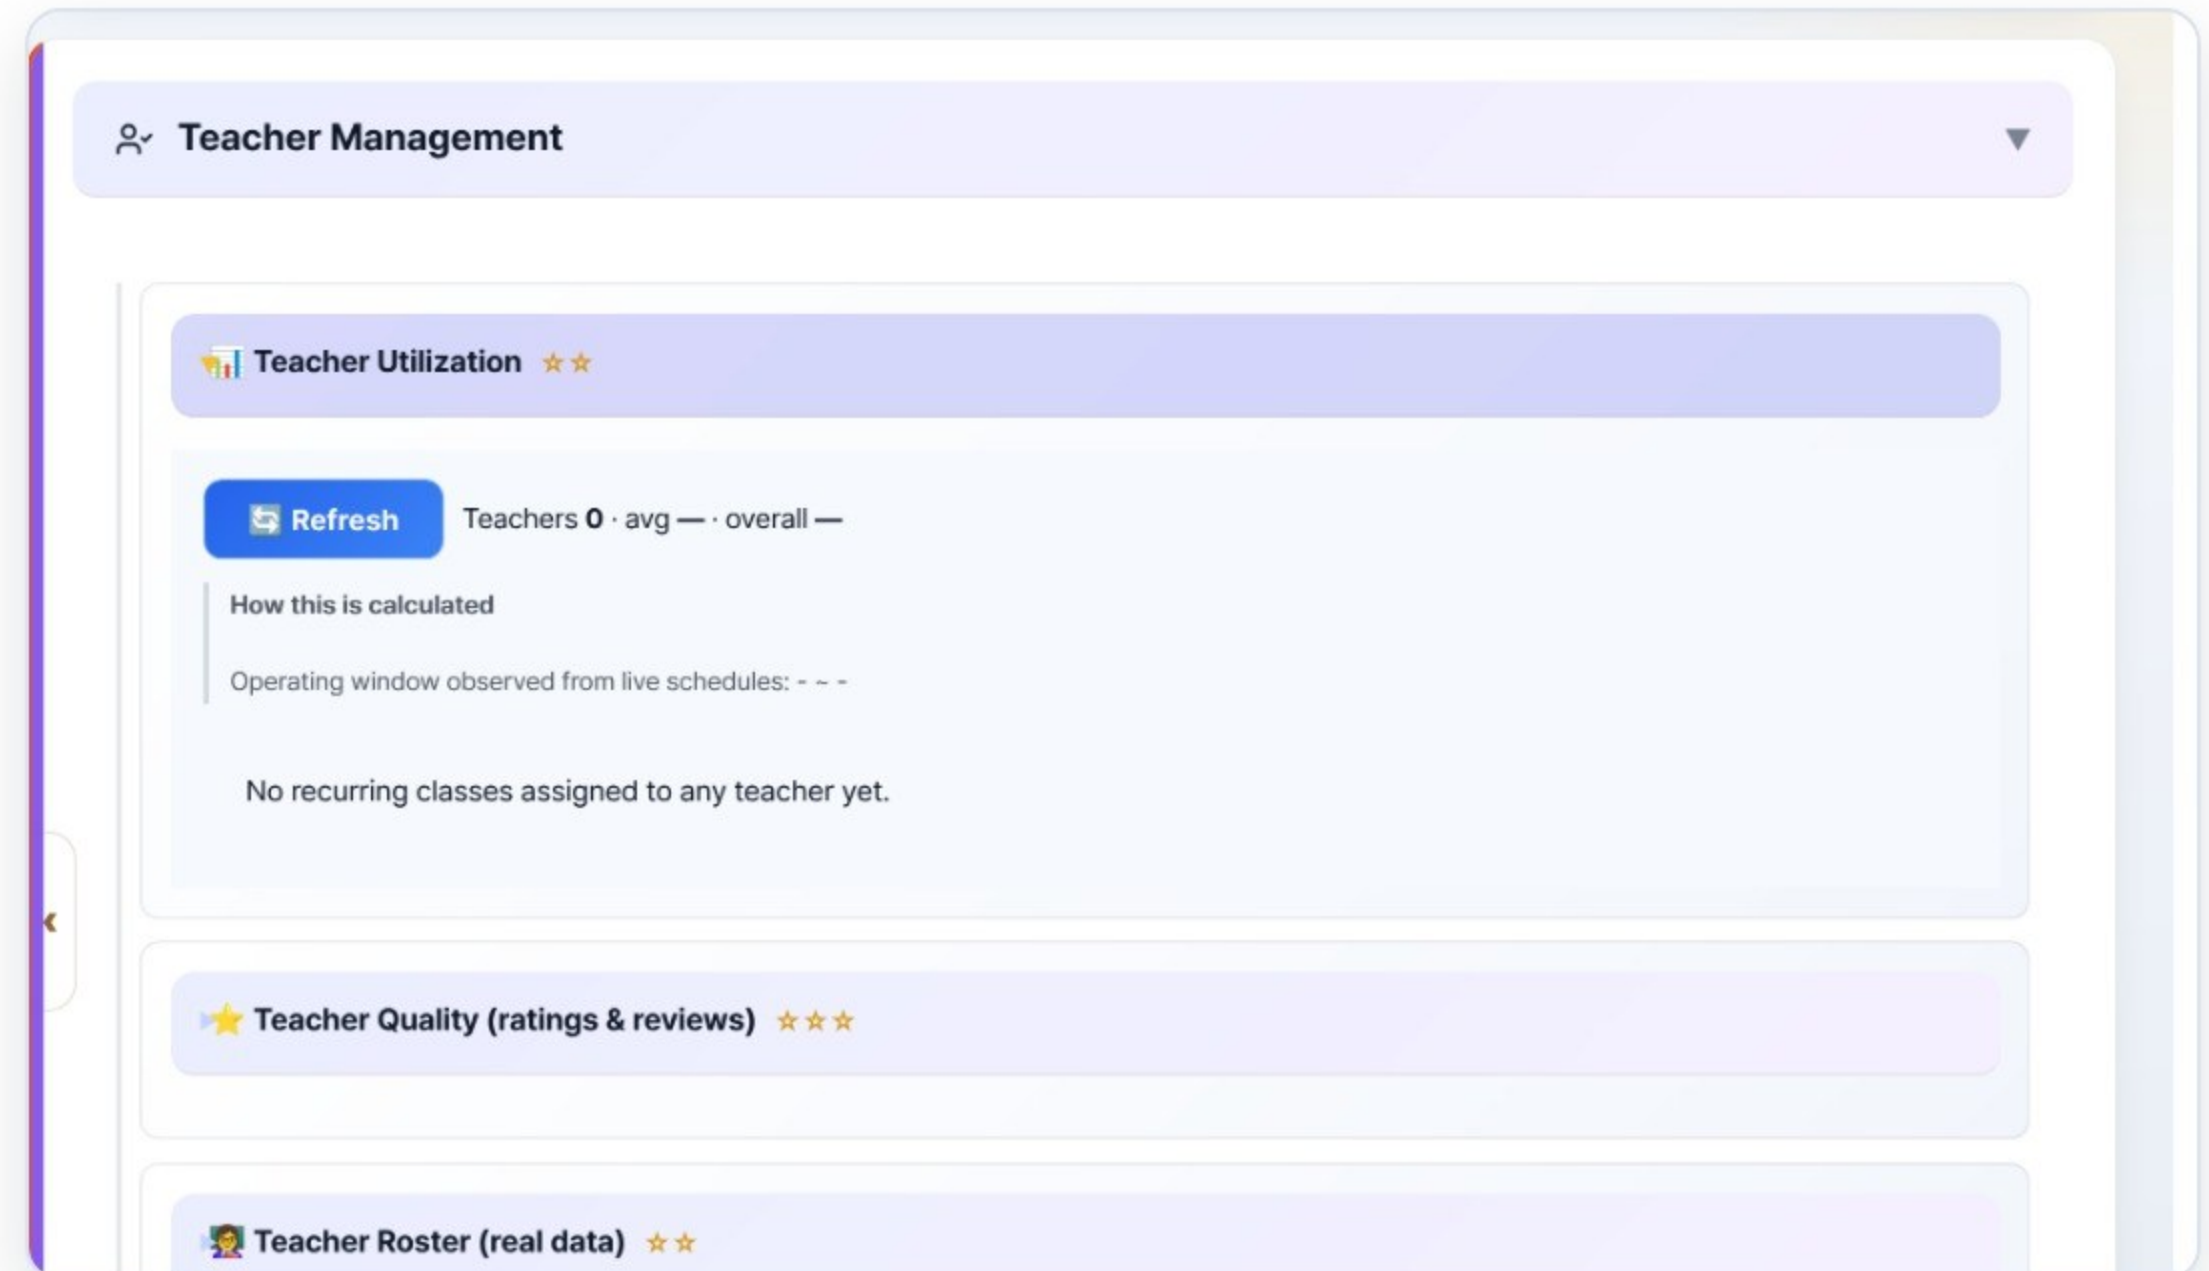

Just remember this

- What you save here shows up on the student site's "Teachers" page right away. Nothing else to do.
- Only teachers whose status is "active" are shown to students.

Easy tip · Add a photo and an intro video — parent meetings get much easier.

The screenshot shows the 'Teacher Management' interface. At the top, there's a header 'Teacher Management' with a dropdown arrow. Below it, there's a section titled 'Teacher Utilization' with two stars. Under this section, there's a 'Refresh' button and a status 'Teachers 0 · avg — · overall —'. Below that, it says 'How this is calculated' and 'Operating window observed from live schedules: - - -'. At the bottom of this section, it says 'No recurring classes assigned to any teacher yet.' Below the 'Teacher Utilization' section, there's another section titled 'Teacher Quality (ratings & reviews)' with three stars. At the bottom, there's a section titled 'Teacher Roster (real data)' with two stars.

10

Teacher payroll

Teachers ▶ Payroll

"Teachers" then "Payroll" opens two spots: auto payroll, and the payroll & rating dashboard.

✓ Do this

- 1 Press "Teachers" to open the group.
- 2 Press "Payroll". Two numbered spots appear underneath.
- 3 1 Auto payroll — works the month out for you.
- 4 2 Mangoi Teacher Payroll & Rating Dashboard — pay and ratings side by side.
- 5 Press the number you want and the screen scrolls to it.

Just remember this

- This is money. If a number looks wrong, tell a person before changing anything.
- Branches and agencies only see their own.

Auto Payroll

💡 Auto Calculation — pick a month and click  Calculate. Each lesson = [minutes ÷ 10 × rate per 10 min]. Assign a teacher level (Teacher 1 = ₱50 / Teacher 2 = ₱70 per 20-min class) in the Level column. Deductions applied automatically: student-absence, teacher no-show, no same-day feedback (-25) and late-lesson-not-extended (-10 per late minute). Click  Detail to review/enter each lesson (type, level, late minutes, total). Currency: ₱ (Philippine Peso).

 Deduction Rules

계산 실패: Cannot read properties of undefined (reading 'total_final')

🕒 Postpone / Reschedule Requests

 **Easy tip** · When the month rolls over, press "Load"/"Refresh" first to be sure you are looking at the latest.

12

Sending a notice

System ► Announcements

This is where news goes out to parents and students — posters, popups, Kakao alerts and app push.

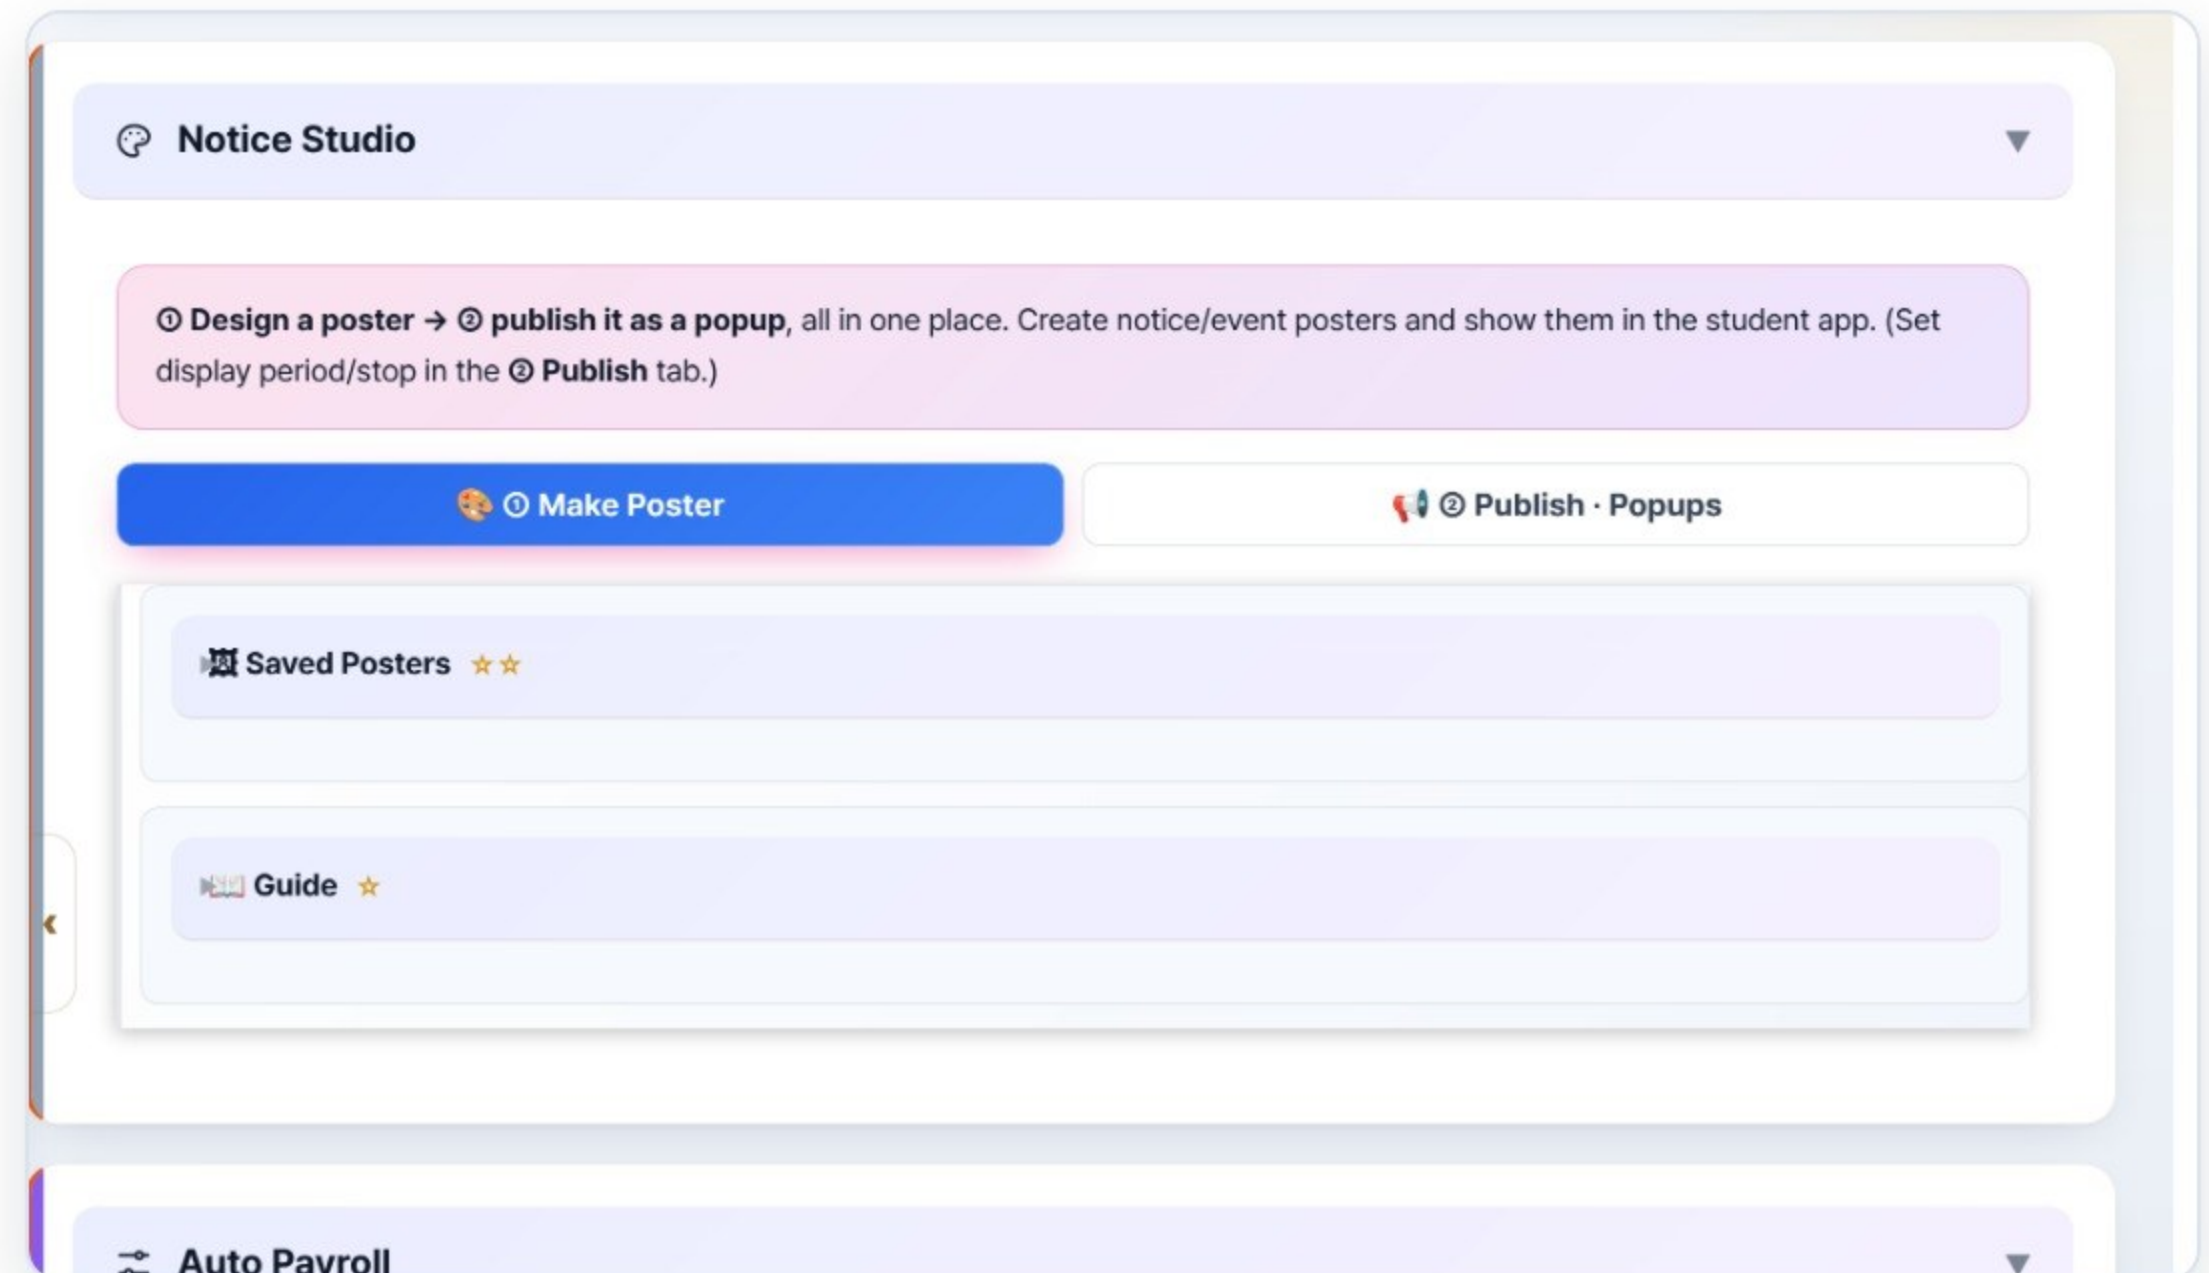

✓ Do this

- 1 Press "System" then "Announcements".
- 2 The "Notice studio" is two steps — ① make a poster → ② publish as a popup.
- 3 In ① you design the notice picture. It is kept in "My posters".
- 4 In ② you push it into the student app as a popup, and set how long it shows.
- 5 Kakao alerts and Web Push live in the same group.

Just remember this

- Always check who it is going to. A sent message cannot be taken back.
- Sending the same thing from two places means parents get it twice. Use one.

Easy tip · Send one to yourself first. If it looks right, then send it to everyone.

13

Looking at the money

Finance ► Accounting

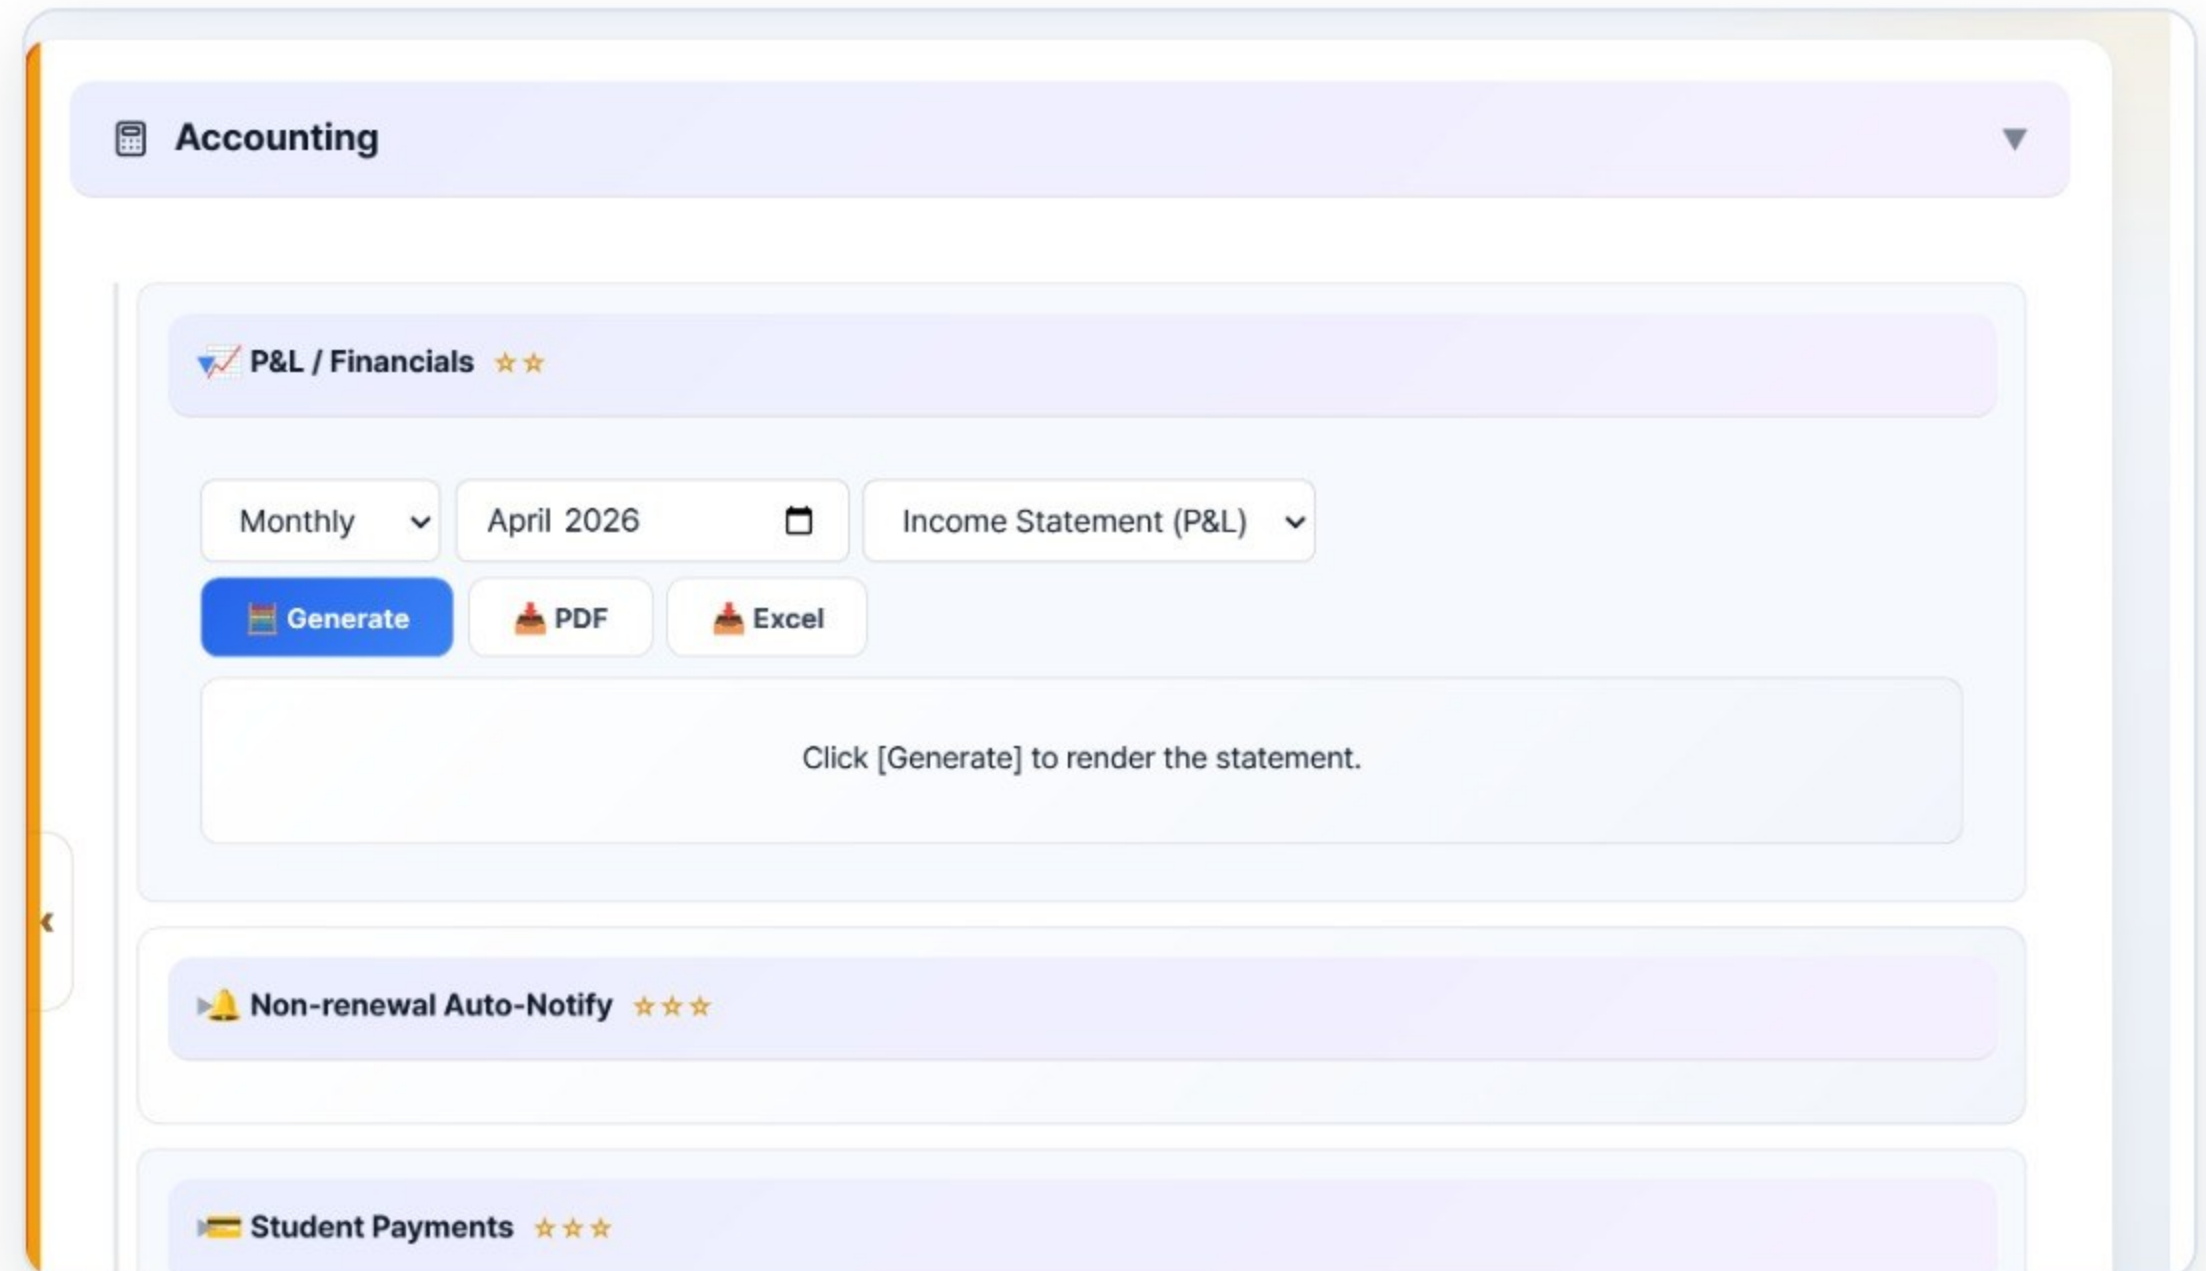

This is where you pull the profit & loss and financial statements by month or by quarter, and save them as PDF or Excel.

✓ Do this

- 1 Press "Finance" then "Accounting".
- 2 Choose "Monthly" or "Quarterly".
- 3 Choose the month (or quarter).
- 4 Choose the statement — Profit & Loss (P&L) and so on.
- 5 Press the blue "Generate". The table appears below. Save with "PDF" or "Excel".

Just remember this

- The same group also holds unpaid-renewal alerts, student payment history and teacher payroll.
- Read the numbers here. Leave changing them to the person in charge.

The screenshot shows the 'Accounting' section of the Mangoi Admin interface. At the top, there's a header 'Accounting' with a dropdown arrow. Below it, the 'P&L / Financials' section is highlighted with two stars. This section contains three dropdown menus: 'Monthly', 'April 2026', and 'Income Statement (P&L)'. Below these are three buttons: 'Generate' (blue), 'PDF' (with a PDF icon), and 'Excel' (with an Excel icon). A light blue box below the buttons contains the text 'Click [Generate] to render the statement.' Below the 'P&L / Financials' section, there are two more sections: 'Non-renewal Auto-Notify' with three stars, and 'Student Payments' with three stars.

 **Easy tip** · Pull it on the same day each month and keep it — comparing later gets easy.

14

Level test results

Students ▶ Level test

This is where you see the test that decides which class a new student fits.

✓ Do this

- 1 Press "Students" then "Level test".
- 2 "Level test requests" — what students book piles up here live.
- 3 Filter with the search box, "All status" and "Newest". There is a "Calendar view" too.
- 4 After the test, press "+ Enter result" to type the score in.
- 5 Past results sit below in "Results (level · score)".

 Just remember this

- Once you handle a row it is filed away as "done".
- An empty table means nobody has booked yet, or nothing is loaded.

 **Easy tip** · Open this screen before a parent meeting — it makes explaining simple.

15

System ▶ Library

Getting manuals from the Library

Every manual and video lives here — including this guide.

✓ Do this

- 1 Press "System" then "Library".
- 2 There are five rooms — Admin · Teacher · Branch · Agency · Student & Parent.
- 3 "🎬 Video manual" has ▶ Play · ↓ Save · 💬 Copy Link.
- 4 "📄 Admin manual" comes as PDF · PPT · Excel.
- 5 "📊 Easy Admin Page Guide" is this guide. Korean and English both.

Just remember this

- To share on KakaoTalk use "💬 Copy Link", not the file — the quality stays sharp.
- The room that matches your role opens without a password.

The screenshot shows the 'Admin Library' interface. At the top, there's a header 'Admin Library' with a dropdown arrow. Below it, there are three main sections:

- Video User Guide NEW**: This section has two rows. The first row is for 'Korean' and the second for 'English'. Each row has three buttons: '▶ Play', '↓ Save', and '💬 Kakao Talk Link'.
- Admin User Guide**: This section has two rows. The first row is for 'Korean' and the second for 'English'. Each row has three buttons: '📄 PDF', '📊 PPT', and '📈 Excel'.
- Easy Admin Page Guide Easy**: This section has two rows. The first row is for 'Korean' and the second for 'English'. Each row has two buttons: '📊 PPT' and '📄 PDF'.

Below the 'Video User Guide' section, there is a note: '💬 Kakao Talk Link = The link will be copied. Paste it into the chat window and send'. To the right of this note, there are two labels: 'Original quality' and 'Will be played. (If you attach a video file directly, Kakao Talk will re-compress it, degrading the quality)'.

Easy tip · When someone new joins, send them this guide first.

16

Staff and permissions

System ▶ Staff & roles

This is where you decide who can see what. HQ only.

✓ Do this

- 1 Press "System" then "Staff & roles".
- 2 "Role permission matrix" — 6 roles × every menu in one table.
- 3 Each press of a cell cycles  allow →  read only →  blocked.
- 4 It saves as soon as you change it. That person sees it from their next sign-in.
- 5 Use "+ Add HQ staff" to create a new staff account.

🔥 Just remember this

- The 6 roles are HQ executive · HQ manager · HQ teacher · master branch · branch · agency.
- A new account is really saved. That ID can sign in right away.

Permissions

Role Permission Matrix

6 roles (HQ 3개 직급 · BranchHQ · Branch · Agency) × Manager 사이드바의 All MenuControls from one place. Clicking a cell cycles and saves immediately:  →  → , and reflects to the corresponding role user.

💡 **Easy tip** · Give only the access someone needs. Adding more later is easier than taking it away.

17

My info · password · signing out

Press your own name

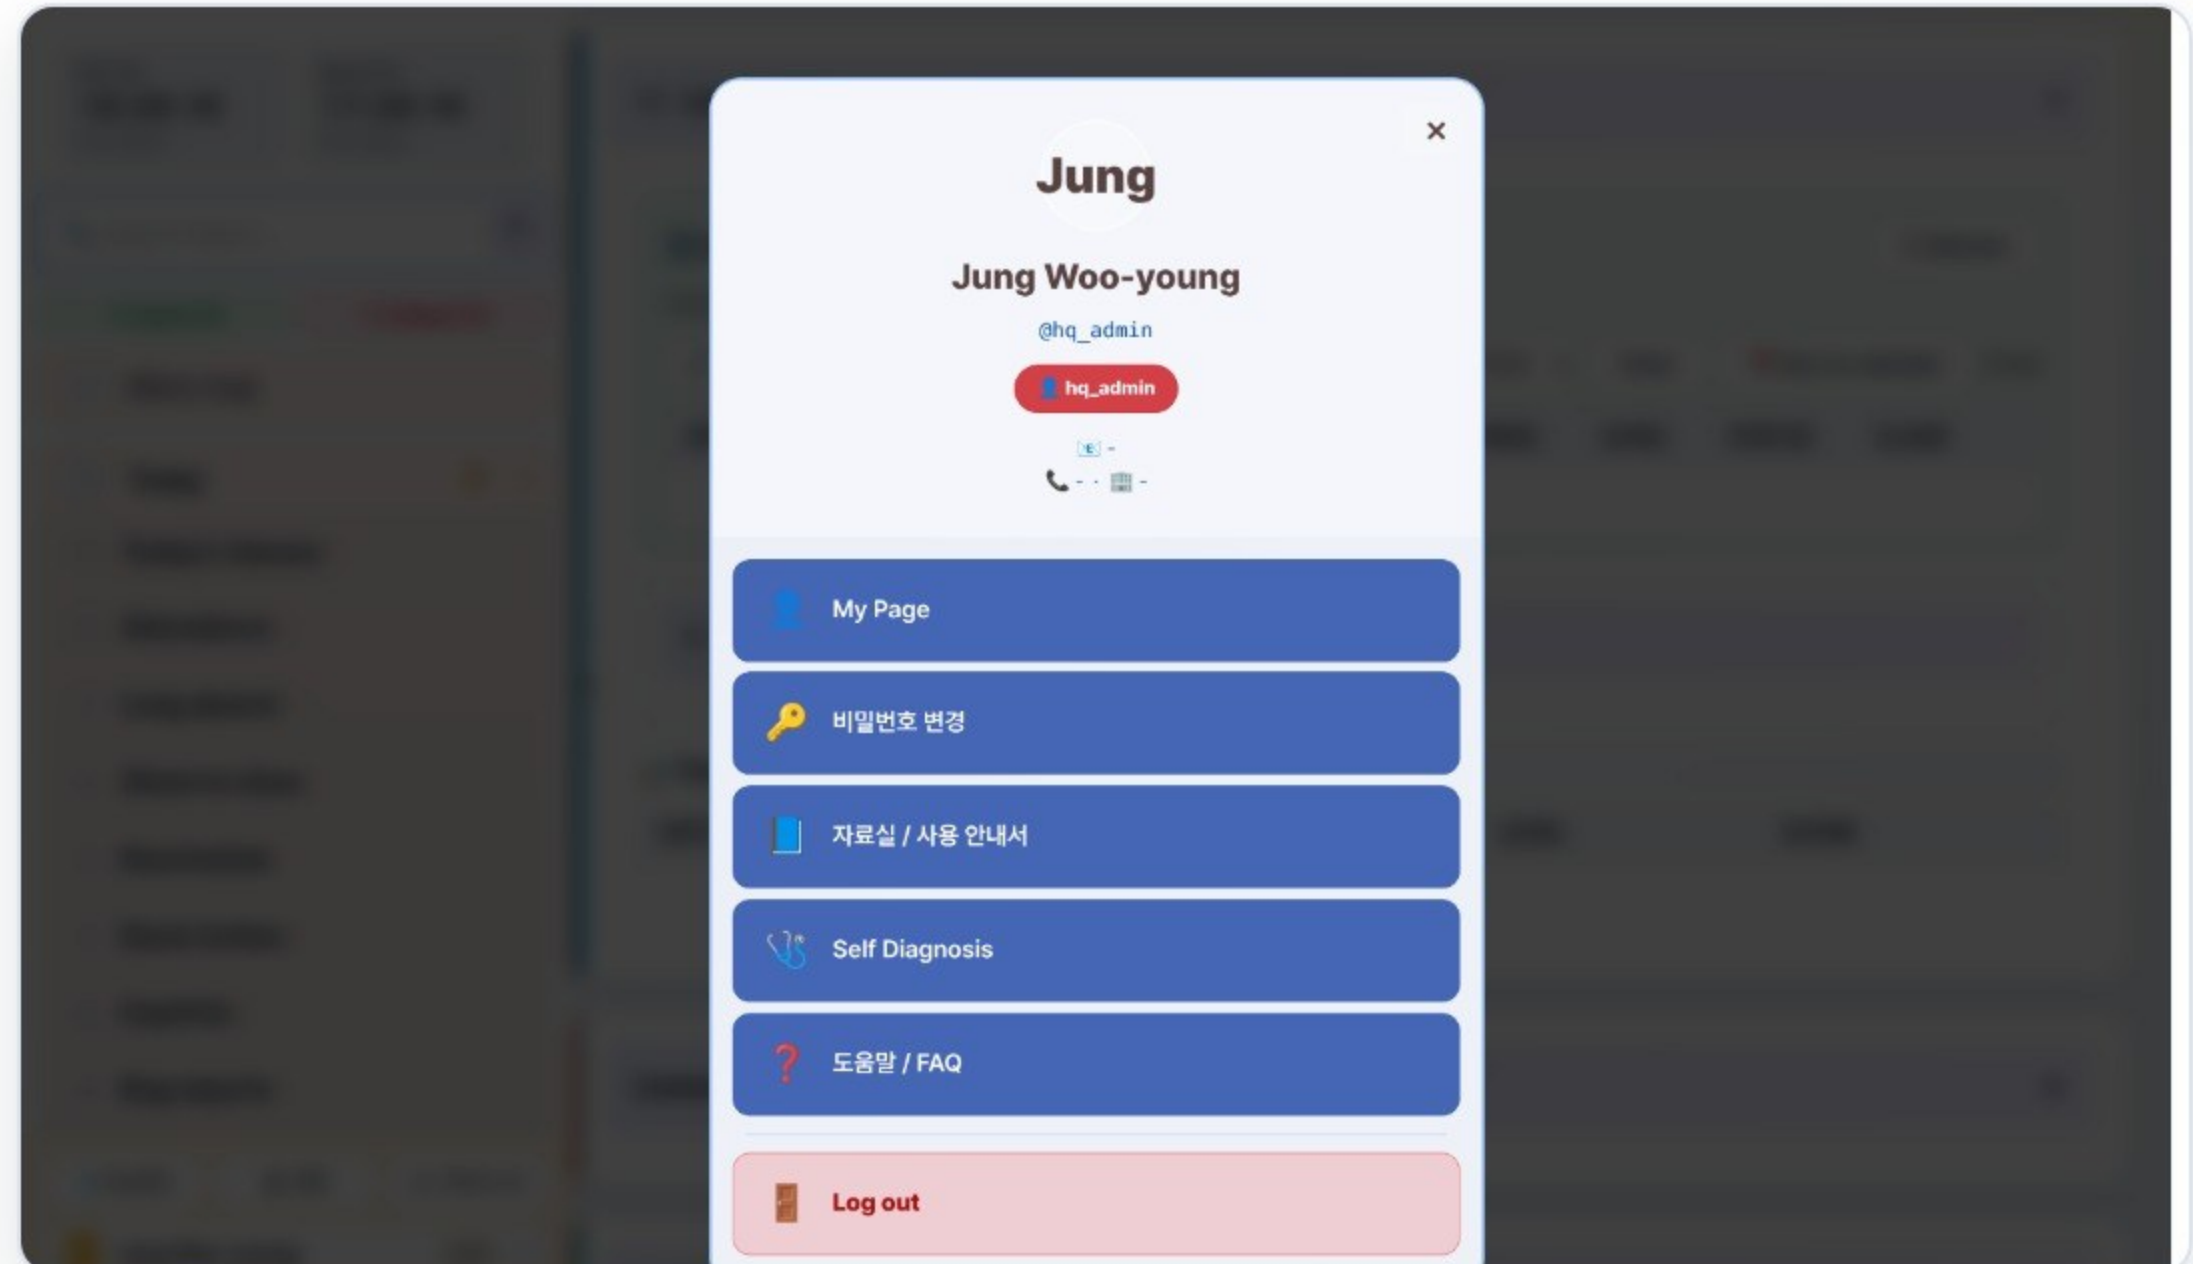

Press your name and a window opens. My page, change password and sign out are all in it.

✓ Do this

- 1 Press your name.
- 2 "👤 My page" — see and edit your own details.
- 3 "🔑 Change password" — change your password.
- 4 "📖 Library / manuals" · "🩺 Health check" · "❓ Help".
- 5 When you are done, press "🚪 Log out" at the bottom.

🚨 Just remember this

- Changing your password signs your other devices out automatically.
- On a shared computer, always sign out before you walk away.

💡 **Easy tip** · If a screen looks broken, press "🩺 Health check" — it tells you what is wrong.

People see different menus

Same address, different view. What you can see depends on who you are — nothing is broken.

HQ executive • manager

Sees everything. Only HQ adds staff and sets permissions.

HQ teacher

Sees the class and student side. Most money screens stay hidden.

Master branch • branch

Sees its own branch and the agencies under it.

Agency (academy)

Sees its own academy only.

- The differences are on purpose. They keep one academy's data away from another.
- If a menu you truly need is missing, tell HQ.
- Your own role is shown in small letters next to your name.

What's new

August 2026

1

The left menu opens three levels

Group ► menu ► the exact spot. Just keep pressing in.

3

A group was renamed

"HQ · Branches · Agencies" — the place to look at the organisation.

5

Quick access sorts itself

What you press most moves to the front.

7

Adding staff really saves

The new ID can sign in immediately.

9

Wide tables stay inside the screen

Screens like "Students" are much easier now.

2

Press again to fold it back

All three levels behave the same way.

4

There is a "Menu map" now

The whole of Mangoi on one page.

6

Accounting works by quarter too

Three months rolled into one profit & loss.

8

Changing a password really changes it

Your name ► Change password.

10

Branches and agencies see only their own

Other academies' data stays hidden.

Frequently asked questions

Q. I pressed a menu and nothing happened.

A. Pressing it again folds it. On a narrow screen press ≡ at the top left first.

Q. The table is empty.

A. Press "Load" or "Refresh". That is when the data comes in.

Q. I want to change my password.

A. Your name ► "🔑 Change password", or "👤 My page".

Q. The screen looks wrong.

A. Press "🏥 Health" at the bottom left.

Q. The menu I want is not there.

A. People see different menus. Ask HQ if you need it.

Q. I want to read it in Korean.

A. Press 🌐 KO at the bottom left. Press EN to go back.

Q. I don't know what to press.

A. Just type what you want into the search box at the top left.

Q. I want to start over.

A. Press "Menu map" at the very top left.

First-day checklist

Do just these today. Once they are done you can use it on your own.

☐ Can you sign in?

☐ Did you press a menu group open?

☐ Did you press the same thing again to fold it?

☐ Did you open the "Menu map"?

☐ Did you download a manual from the Library?

☐ Can you see your name at the bottom left?

☐ Did you press a menu inside it and reach the numbered spots?

☐ Did you type "payroll" into the search box?

☐ Did you press "Load" on the student list?

☐ Did you sign out?

You're all set!

Only three things to remember.

- ① On the left, press group ► menu ► the exact spot
- ② If you are unsure, just type it into the search box
- ③ If you get lost, go back through the "Menu map"

Want more? The Library has manuals and videos. Still stuck? Ask HQ.
